Teresa, the email copy of the plan will work for me. You do not need to submit the plan to any other group. I will take care of that.

Katrina,

Please find the Health and Safety Plan for the Wilcox Oil Company Superfund Site for your review. Would you like the word copy of the document sent to you on a compact disc or would you prefer that I email it to you.

Also, would you like me to submit the Health and Safety Plan to the trustee's or will you be doing so?

Thanks,
